CINCINNATI, OHIO

OCTOBER 2025

FOP President's Message

Over the last month, we had the opportunity to carry on the mission of fraternalism. The FOP's law enforcement support team trailer was deployed to Indiana, where the SWAT team conducted training for several days. Then the FOP was able to provide breakfast and refreshments to more than 60 officers from all over Hamilton County who worked to make the Hudy 14K a safe and successful event.

Once again, the FOP and CPD Honor Guard laid wreaths at two of our fallen officers' graves on significant anniversaries. Detective Walter Hart was murdered while trying to interrupt an aggravated robbery on 9/19/55, 70 years ago. Police Officer Kevin Crayon was murdered after confronting a juvenile whom he believed was too young to be driving a car. The juvenile fled, dragging Officer Crayon down Colerain Avenue. He was eventually dislodged from the vehicle, and his body struck another car, killing him. That occurred on 9/1/00, 25 years ago. Thank you to the Honor Guard for your commitment to remembering our fallen officers.

Last year, the FOP created a nonprofit named Cops Caring For Cops. It has been officially recognized as a 501(c)(3) by the federal government. Its mission is to provide financial support for active officers battling cancer. On October 26th, Cops Caring For Cops will be hosting the 2nd Annual 5K at Spring Grove Cemetery. Registration begins at 7:00 a.m., and the race will take off at 8:30 a.m. Come support a very important cause.

Finally, the FOP will be presenting its unfair labor practice regarding the community responders. If you have any incidents that are noteworthy, please email me the CAD numbers at president@fop69.org. Thanks for all you do to keep Cincinnati safe!

Fraternally,
Ken Kober

L-18 EASTSIDE LUNCHEON John Burke

The L-18 Eastside Luncheon got off to the usual start as John Burke honored the faithfully departed. The quiz followed soon after, though someone couldn't resist pointing out that the questions were "too hard."

Tim Schoch was in attendance and made it known that he prefers Jimmy Brown as the photo guy. Did that hurt my feelings? Not at all—being with this group, it's best not to have feelings anyway!

As always, APG provided excellent service, and the afternoon turned out to be another fun and memorable get-together with a great group of friends.

Make sure to call the FOP Hall at (513) 381-2550 to notify them of a death of a retired police officer.

Please remember to call Michelle Comarata at (513) 381-2550 if you have moved, have gotten married or divorced, have added a child/dependent, and also to check or update your death beneficiaries.

LABOR DAY LAW ENFORCEMENT LUNCHEON AT BUCKETHEADS

Jim Brown

Labor Day, being a Federal Holiday, can mean only one thing — the annual Labor Day Law Enforcement Luncheon at Bucketheads. By my count (and as you know, I'm never wrong), we had 67 Sisters, Brothers, and Supporters of Law Enforcement in attendance.

Bucketheads once again served up great food, and the staff did an excellent job throughout the day. Stories and shared memories were plentiful, and the smiles and laughter were priceless.

Looking ahead, mark your calendars: Monday, November 10, our Law Enforcement Brothers and Sisters will gather to salute all U.S. Military Veterans and celebrate the birthdate of the United States Marine Corps.

Bring your stories and memories from the good old days and join us for the LE Veterans Day Holiday Luncheon at Bucketheads. Attendees begin arriving at 11:15 a.m.

FOPA OFFICER OF THE MONTH

Jackie Metz

On Wednesday, August 6, 2025, Police Officer Edward "Tim" Bedinghaus, P31, responded to a very serious auto accident on Columbia Parkway. Officer Bedinghaus was the first officer on the scene and found a seven-year-old boy lying in the street unresponsive. Officer Bedinghaus immediately began CPR and was able to get a pulse before the Cincinnati Fire Department arrived. CFD Life Squad immediately transported the juvenile to Children's Hospital. The boy is presently in serious condition, but still alive due to the quick action of Officer Bedinghaus. Officer Bedinghaus is to be commended for his quick response and attention to duty.

COMMUNICATIONS COUNSEL

Ryan Stubenrauch / Jamieson Gordon

This month's crisis communications in the news comes from Pauls Valley, Oklahoma. There was a death in December, and the Pauls Valley Police Department (PVPD) subsequently released a statement. Here's what they said:

On Thursday, November 28, 2024, Officers from the Pauls Valley Police Department responded to a report of an unattended death in the 400 block of South Pecan. Upon arrival, our Officers conducted a thorough investigation alongside medical personnel. At this time, there is no evidence to suggest foul play was involved in this tragic event.

Our thoughts are with the family and friends of the deceased during this difficult time. We want to assure the community that we take all incidents of this nature seriously and are committed to conducting a full and fair investigation to determine the circumstances surrounding this death.

We ask the public to respect the privacy of those affected and refrain from speculating on the details of this open investigation. Anyone with additional information is encouraged to contact the Pauls Valley Police Department at (405) 238-5531.

This is a pretty decent statement overall.

The first thing we noticed was the "unattended death" phrase. While those in law enforcement know what that means, the average person may have never heard that before. They may be able to take a guess, but it's a best practice to drop anything that could be seen as jargon by non-law enforcement folks.

We like that they included a reminder of their mission to take all incidents seriously along with a full commitment to fair investigations. It was also a good move to ask the public to refrain from speculation at the end.

Here's how we would rewrite it for PVPD:

On Thursday, November 28, 2024, Pauls Valley Police Department (PVPD) officers and medical personnel responded to reports of a death on South Pecan. At this time, there is no evidence to suggest foul play was involved.

Loss of life is always a tragedy, and our hearts are heavy for the family and friends of the individual who passed. We want to assure the community that PVPD is committed to pursuing truth and justice with a full investigation into the circumstances of this death and any other crimes in Pauls Valley.

We ask the public to refrain from rumors and to respect the privacy of those affected by this loss. If you have any information about this incident, please call PVPD at (405) 238-5531.

If you are notified to respond to Internal or CCA, please notify Michelle at the FOP Hall to schedule a rep. Please give them as much notice as possible.

Ohio House Bill 96: Certification Rules for Peace Officers Returning After a Break in Service

Steve Lazarus, Esq. • Lazarus Law, LLC
SteveLazarus@hlmlaw.com • (513) 607-4455

In September 2025, Ohio House Bill 96 will take effect, making significant changes to the law governing peace officer certification following a break in service. Previously, officers who had been out of service for more than four years were required to complete the entire basic training academy again, even if they had already been certified through OPOTC. This requirement created a barrier for experienced officers seeking to return to law enforcement and often discouraged agencies from rehiring individuals who had otherwise valuable training and service experience.

HB 96 eliminates the requirement to attend a basic academy solely due to a break in service. Under the new law, an officer's certification does not expire because of time away; rather, the certificate becomes inactive until it is renewed. Officers who completed basic training and received certification will not lose that certification unless a formal decertification event occurs. To return to duty, however, they must complete mandatory refresher training before performing any peace officer functions.

The amount of refresher training depends on the length of the break in service. Officers who have been away between one and four years are now required to complete forty hours of refresher training. Those who have been out of service for four years or more must complete eighty hours. This marks a shift from the prior system, which allowed a one-year grace period for officers to complete training after being reappointed. That grace period has now been effectively repealed. Instead, the training must be completed before resuming any law enforcement duties, though agencies still have discretion in appointing officers who have been out of service.

To streamline the process, the refresher training will be assessed within the course itself, eliminating the need for separate testing at independent facilities. OPOTA is currently developing the curriculum for these courses, which will serve as advanced training tailored to returning experienced officers back in the field as efficiently as possible. Because demand for these courses is expected to be high, OPOTC has advised agencies to plan ahead and register early once offerings are available.

Legal Lesson Learned: Law enforcement agencies should take note that under HB 96, an officer's certification does not lapse simply because of a break in service. Instead, agencies must ensure that officers complete the required forty or eighty hours of refresher training before resuming duty. With these changes, agencies will have greater flexibility to reappoint experienced officers, but careful planning will be necessary to remain in compliance with the new requirements.

Submitted by Charles Bell

9th DISTRICT TRUSTEE Jon Halusek

The House this week passed several bills which have been sent to the senate. These Bills all dealt with policing in the District of Columbia.

The House passed H.R. 3486, the “Stop Illegal Entry Act,” on a 226-197 vote. The FOP supported this bill which now heads to the Senate for further consideration.

The Senate passed S.725, the “Enhancing First Response Act,” by unanimous consent. The bill now heads to the House for consideration.

President Yoes is also calling for the Congress to pass the Protect and Serve Act as a result of another attack on our officers in Northern York County.

The Protect and Serve Act is a proposed federal bill that would create new federal crime for knowingly causing serious bodily injury to a law enforcement officer. Versions of this legislation have been introduced multiple times in the U.S. Congress, most recently in 2025. The current versions of the bill, H.R. 1551 and S. 167, have not yet become law.

Current status (119th Congress, 2025–2026)

H.R. 1551: Introduced in the House on February 25, 2025, by Representative John Rutherford (R-FL) and a bipartisan group of cosponsors. It has been referred to the House Committee on the Judiciary. As of September 2025, it remains in the early stages of the legislative process.

S. 167: Introduced in the Senate on January 21, 2025, by Senator Thom Tillis (R-NC). It was referred to the Senate Committee on the Judiciary.

Key provisions:

The bill proposes a new federal offense that includes:

10 years in prison: For anyone who willfully causes serious bodily injury to a law enforcement officer.

Life imprisonment: If the offense results in the officer’s death, or if it involves kidnapping or attempted murder.

Federal jurisdiction: It would apply to federal law enforcement and to state and local officers if the offense involves interstate commerce.

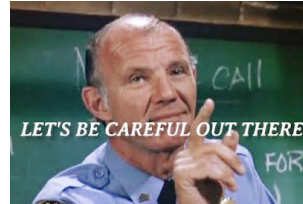

Attorney General certification: In most cases involving local and state officers, the U.S. Attorney General would need to certify that a federal prosecution is in the public interest.

This bill is sitting in the House Committee on the Judiciary, it currently has 91 Cosponsors in total and 6 of the cosponsors are from Ohio Troy Baldson, Max Miller, Mike Carney, Michael Rulli, Greg Landsman, and Michael Turner. Missing from Ohio David Taylor, Joyce Beatty, Jim Jordan, Bob Latta, Warren Davidson, Marcy Kaptur, Shontel Brown, Emilia Sykes, and David Joyce.

Both Senators Bernie Moreno and Jon Husted both have cosponsored S-167.

You may ask why this is important. Well, it’s simple, you hear all of the above how they support law and order and how they support you, make them show you and call them to cosponsor this bill. Most importantly if the Bill makes it to the floor, then we will need their vote.

This year 66 Officers have been killed in the line of duty. Please watch each other and cover over. As I have said many times, one is too many.
